

FAMILY HANDBOOK

WELCOME

Dear Family,

First United Methodist Child Development Center (FUMCDC) is an outreach ministry of the church, serving the children of working parents in the community. FUMCDC provides a full day, developmentally appropriate program for children ages six weeks to five years of age.

The CDC Advisory Board composed of church members and a parent representative who govern the program. The Board meet monthly with the staff in administration to discuss all the aspects of programming for the CDC. We also have a Parent Association Group that supports the CDC and promotes family activities.

Thank you for choosing **First United Methodist Child Development Center**. We look forward to providing your child with a caring and enriching environment.

Sincerely,

Administration

ABOUT US

Philosophy

We believe in the philosophy of “the whole child”. Each child is a unique individual and should be allowed to grow at his or her own pace of development. The CDC provides many opportunities for your child.

Certification

We are a five star licensed child care program through the NC Division of Child Development and Early Education.

Definition of Family

In this handbook we refer to family as a parent, legal guardian, sponsor or anyone else who provides for the well-being, best-interest and responsibility of the child in our care.

Hours of Operation

Child care services are provided from 7:30 AM to 5:30 PM Monday through Friday.

Holidays

We are closed for certain holidays:

- New Year’s Day
- Martin Luther King Day
- Good Friday
- Memorial Day
- Juneteenth (June 19th)
- Independence Day
- Labor Day
- Thanksgiving Day
- Day After Thanksgiving
- Christmas Eve Day
- Christmas Day

There will be early closings on days when there are special events that impact traffic in the uptown area.

Admission & Enrollment

All admission and enrollment forms must be completed and enrollment fee and first tuition payment paid prior to your child’s first day of attendance.

An enrollment fee of \$75.00 is due at the time of enrollment. This fee is non-refundable.

A two-week, non-refundable tuition deposit is required for each child enrolled. This deposit will be held without interest and will represent tuition payment for the last two weeks of the child's enrollment.

Based on the availability and openings, our facility admits children from six weeks to five years of age.

Children are admitted without regard to race culture, sex, religion, national origin, or disability. We do not discriminate based on special needs as long as a safe, supportive environment can be provided.

Inclusion

First United Methodist CDC believes that children of all ability levels are entitled to the same opportunities for participation, acceptance and belonging in child care. We will make every reasonable accommodation to encourage full and active participation of all children in our program based on his/her individual capabilities and needs.

If your child has an identified special need or needs additional support, please plan to meet with the FUMCDC team to address these accommodations.

Non-Discrimination

At **First United Methodist CDC** believes in equal educational opportunities are available for all children, without regard to race, color, creed, national origin, gender, age, ethnicity, religion, disability, or parent/provider political beliefs, marital status, sexual orientation or special needs, or any other consideration made unlawful by federal, state or local laws. Educational programs are designed to meet the varying needs of all students.

Family Activities

Each family is a child's first teacher. We value families as partners in the growth and development of children in our program. We encourage parents and other family members to be involved in the program, visit children's classrooms, participate in events, and provide feedback on the program. We offer a variety of ways in which families can participate in helping us establish and reach our program goals.

Please see the list of Family Activities at the end of this booklet.

Confidentiality

Unless we receive your written consent, information regarding your child will not be released with the exception of that required by our regulatory and partnering agencies. All records concerning children at our program are confidential.

Caregivers participate in orientation and ongoing training in the areas of child growth and development, healthy and safe environments, developmentally appropriate practices, guidance, family relationships, cultural and individual diversity, and professionalism.

Any arrangement between families and our caregivers outside the programs and services we offer is a private matter, not connected or sanctioned by **First United Methodist CDC**.

Communication & Family Partnership

Daily Communications. Daily notes from center staff will keep you informed about your child's activities and experiences at the center. Notes will be placed into your child's cubby at the end of the day.

Bulletin Boards. Located throughout the center, bulletin boards provide center news, upcoming events, faculty changes, holiday closing dates, announcements, etc.

Calendar. Monthly calendar provide center news, events, announcements, etc. These newsletters are available on the website.

Procure. This is our app of communication and includes a payment option through Tuition Express. We encourage you to provide an email address that you use regularly so that we may send you announcements, event invitations, newsletters and general updates.

Family Visits. Family participation is encouraged. Visit our classrooms, volunteer, come along on a field trip, or eat a meal with your child. Signing in is required for the safety and protection of our children.

Family Events. Family events are scheduled on a regular basis. Family Events allow families and children time to share, learn, and have fun. Families have an opportunity to be a part of their child's learning experience and connect with other families.

Conferences. Family & teacher conferences occur once a year. During these conferences, we will discuss your child's strengths, likes and dislikes, and styles of learning. We will work together to set goals for your child's growth and development. You may request additional conferences regarding your child's progress at any time. We encourage you to communicate any concerns.

Open Door Policy

We are delighted to have family members participate in our program. Parents/Guardians are welcome to visit the program any time during regular program hours. The infant room welcomes parents/guardians to nurse or feed their infants.

Open Door Policy does not mean the doors will be unlocked. For the safety and protection of the children, external doors will be kept locked at all times.

Our team will always do their best to speak with parents/guardians. Since staff days are devoted to caring for children, it is usually not feasible to have a long discussion during regular program hours. If a situation requires a longer discussion, kindly arrange for an appointment.

Publicity

Occasionally, photos will be taken of the children at the center for use within the center or on our website. Written permission will be obtained prior to use of photographs.

Unless the family indicates that they want their child to participate, we will not use pictures and names of children for publicity.

CURRICULA & LEARNING

Learning Environment

We provide a rich learning environment with curricula that are developmentally appropriate to the specific ages in each classroom. We have a flexible day routine that allows children to

advance at their own pace. We strongly believe that learning happens through play. Learning and exploring are hands-on and are facilitated through interest areas. Our program is designed to enhance children's development in the following areas: creativity, self-expression, decision-making, problem-solving, responsibility, independence, and reasoning. We encourage openness to that which is different from us, and the ability to work and play with others.

Curricula & Assessment

First United Methodist CDC uses the NC Early Foundations for Early Learning and Development (NCFELD) and the Creative Curriculum. As part of this curriculum, we gather information about each child's developmental abilities and evaluate progress so we can modify and adjust what we are doing in our classroom so as to deliver the best individualized instruction for each child. This evaluation is communicated to families periodically during the school year using various formal and informal tools, forms, and resources.

For information about your child's day, please see copies of daily schedules and lessons plans posted in each classroom.

Developmental Screening

First United Methodist CDC uses the Ages & Stages Questionnaire to coincide with curriculum-based assessment(s), we monitor each child's achievement of developmental milestones, share observations with parents/guardians, and provide resource information as needed for further screenings, evaluations, and early intervention and treatment. The developmental screening process is a collaborative one, involving parents/guardians and done in conjunction with the child's primary care provider and health, education, and early intervention consultants.

Outings and Field Trips

Weather permitting; we conduct at least sixty minutes of supervised outdoor play and/or walking field trips around the neighborhood for all children. Children are accounted for at all times. A permission statement for participation in walking trips is included in the enrollment package.

From time to time, there will be supervised field trips, and we encourage you to join your child on the trip. *Permission Slips* for each trip must be signed by the child's family.

For field trips, please dress your child appropriately for the season. Walking shoes are a must. Sandals and flip-flops are not appropriate for walking and make it difficult for your child.

The safety of children and staff will be guarded in all activities of child care programs. Proper restraint systems (seat belts) and the correct use of them are critically important during travel to/from the child care program as well as during field trips.

NC Division of Child Development and Early Education rules prohibit children under age of four from going on field trips or outings if transportation is needed.

Additionally, outdoor play will be cancelled if the air quality rating is not adequate for specific populations.

Transitions

Your child's transition in child care should be a positive and exciting learning adventure. We will work with you and your child to ensure the smoothest possible transition occurs as new routines and new people are introduced.

Transition from home to center

Prior to your child's first day, you will have an opportunity to tour the center, meet with your child's peers and teachers, and communicate any anticipated concerns. At this time please share the best communication methods that the teacher may use to reach you.

Transition between learning programs

Children are transitioned to the next program based on age, developmental readiness, state licensing requirements, and space availability. During the transition, current and future teachers will meet with you to propose a plan to introduce your child into the new program.

Electronic Media

Our normal daily routine does include electronic media (television/TV, video, DVD) viewing and computer use but from time-to-time, we may use a television show without advertisements as a teaching aid and discussion stimulator. All Electronic Media will be screened prior to use and will consist of non-violent and high-quality educational material. Our focus is to provide your child a positive experience with increased understanding of the world. Electronic Media will be offered only as a free choice, used to meet a developmental goal, and limited to no more than 2.5 hours per week per child.

NC Division of Child Development and Early Education rules prohibit any screen time for children under two. This includes TV, videos and computers.

Celebrations

Our holiday policy encourages an enhanced understanding of and respect for different cultures and beliefs of children, families, staff and community.

Rest Time

Infants sleep according to their own schedule and are put to sleep on their backs. Caregivers/teachers directly observe infants by sight and sound at all times and check on sleeping infants every fifteen minutes.

After lunch, all children e, participate in a quiet rest time. Children are not required to sleep and may be given quiet activities.

Please read our safe sleep policy that is included in our enrollment package and meets the guidance set forth by state regulations.

Toilet Training

The most important factor in making the toilet learning experience successful and as low-stress as possible is a family/teacher partnership that supports the child. Research indicates that children cannot successfully learn how to use the toilet until they are physically, psychologically, and emotionally ready. Many pediatricians say that most children under 24 months of age are not physically capable of regulating bladder and bowel muscles. Most positive toilet training occurs only after children show signs of physical control or awareness of their bodily functions and when they demonstrate an interest or curiosity in the process. We are committed to working with you to make sure that toilet learning is carried out in a manner that is consistent with your child's physical and emotional abilities and your family's concerns.

GUIDANCE

General Procedure

First United Methodist CDC is committed to each student's success in learning within a caring, responsive, and safe environment that is free of discrimination, violence, and bullying. Our center works to ensure that all students have the opportunity and support to develop to their fullest potential and share a personal and meaningful bond with people in the school community.

Thoughtful direction and planning ahead are used to prevent problems and encourage appropriate behavior. Communicating consistent, clear rules and involving children in problem solving help children develop their ability to become self-disciplined. We encourage children to be fair, to be respectful of other people, of property, and to learn to understand the results of their actions.

Discipline Policy

We have created a discipline policy that reflects our philosophy of positive guidance with children. A copy of the discipline policy is included in your enrollment package for you to review and sign.

Challenging Behavior

Children are guided to treat each other and adults with self-control and kindness.

Each student at **First United Methodist CDC** has a right to:

- Learn in a safe and friendly place
- Be treated with respect
- Receive the help and support of caring adults

When a child becomes verbally or physically aggressive, we intervene immediately to protect all of the children. Our usual approach to helping children with challenging behaviors is to show them how to solve problems using appropriate interactions. When discipline is necessary, it is clear, consistent and understandable to the child. We maintain a zero tolerance to bullying. If you have any concerns about this at any time, please report it to the Director of the Center.

Physical Restraint

Physical restraint is not used or permitted for discipline. There are rare instances when we need to ensure a child's safety or that of others and we may restrain a child by gently holding her or him only for as long as is necessary for control of the situation.

Notification of Behavioral Issues to Families

If a child's behavior/circumstance is of concern, communication will begin with the parents as the first step to understanding the child's individual needs and challenges. We will work together to evaluate these needs in the context of our program.

On rare occasions, a child's behavior may warrant the need to find a more suitable setting for care. Examples of such instances include:

- A child appears to be a danger to others.

-
- Continued care could be harmful to, or not in the best interest of the child as determined by a medical, psychological, or social service personnel.
 - Undue burden on our resources and finances for the child's accommodations for success and participation.

TUITION AND FEES

Important Notice

All payment and fee processing will be completed by the administration through our front office. He/she will be in charge of collecting tuition and other fees and contacting families regarding payment issues. If you have a question or concern regarding a payment or fee, please contact a member of administration.

Registration Fees

A registration fee \$75.00 is due upon enrollment for each child.

Tuition Rates (Full Time weekly rates)

Lily Pads & Tadpoles: \$315
Frisky Frogs & Dragonflies: \$310.00
Wiggly Worms: \$295.00
Fireflies: \$295.00
Busy Lizards: \$285.00

Families contract for a specific weekly schedule as indicated on the *Enrollment Agreement* Form. Payment for this contracted schedule is required every week year-round whether or not your child attends; this enables us to pay teachers a stable salary every week all year. No credits are given for sick or vacation days, holidays, staff training closure or closure due to inclement weather.

Tuition Deposit

A Tuition Deposit equal to two weeks of care is required at the time registration is confirmed. This deposit is applied to the last two weeks of care provided a two-week written notice is given. If a two-week written notice is not given when a child has withdrawn from the program, the family will be billed for two weeks of care, which may come out of their deposit.

Payment

Payment is always due in advance with no deduction for any absences, holidays, or closures due to inclement weather, power outages, or other situations beyond our control. Payment is due each Monday by 5:30 PM and can be placed in the tuition box or paid through Tuition Express. Cash is not accepted as outlined in the *Enrollment Agreement*.

Methods of Payment

Several methods of payment are available for families' convenience. Families can pay by check, money order, automatic electronic funds transfer or credit card. To set up automatic, reoccurring payments, please contact the office administration.

Late Payment Charges

Late payments can pose serious problems for our programs and as a result, the business does not have the latitude to allow families to accrue a balance equal to more than one week of tuition. **Late payments will result in the imposition of late payment fees. Failure to pay child care payments will result in child care services being terminated.**

If payment is not received on the day that it is due, a late fee of \$15.00 will be added to your next tuition payment for each day that it is late. Repeated late payments will result in your family being required to set up automatic payments or credit card payments.

Any payments made will be applied to the oldest charges and late fees may still apply if the account is not paid in full by the next tuition due date.

Termination

Termination of your child's care will occur if any account is up to four weeks in arrears. Any considerations or payment agreements will be approved by a member of administration.

Returned Checks/Rejected Transaction Charges

All returned checks or rejected ACH (automatic debits) or credit card transactions will be charged a fee of \$25.00. This charge may be collected electronically. Two or more returned checks or rejected transactions will result in your account being placed on "money order only" status.

Late Pick-up Fees

Late pick-up is not a normal program option and will only be considered as an exceptional occurrence. Late fees of \$2.00 per minute will be assessed beginning at 5:30 PM and will be due upon arrival. **Repeated late pick up may result in child care services being terminated.**

Other Fees

- From time-to-time there will be additional fees associated with extra curricular activities or field trips. These fees are due prior to the event, activity or trip.

Credits & No Credits

- **Families contract for a specific weekly schedule** as completed on the *Enrollment Agreement* Form. Payment for this contracted schedule is required every week year-round whether or not your child attends; this enables us to pay teachers a stable salary every week all year. No credits are given for sick or vacation days, holidays, staff training closure or closure due to inclement weather, infectious disease (except as noted below), or weather-related or environmental issues.
- **Weather-related or Environmental Disaster or Pandemic** – in the event of a serious crisis during which we are prohibited from operating, families shall pay a fee up to the full payment required to hold each child's place. Payment of your Tuition allows us to retain staff, pay operating expenses, and hold open your child's spot for when we are safely able to reopen.
- **Credit may be given for Serious Illness/Injury** – In the unfortunate event of extenuating circumstances such as your child is hospitalized, absent due to a serious contagious disease or serious illness or injury, credit may be issued. A written doctor's note is required to receive a credit.

ATTENDANCE & WITHDRAWAL

Absence

If your child is going to be absent or arrive after 9:30 AM, please call us at 704-333-4882. We will be concerned about your child if we do not hear from you.

Vacation

While we recognize the value of family vacations, the center does not provide credit for vacation days.

Withdrawal

A written notice, two weeks in advance, is required by the center when a child is being withdrawn. Failure to notify will result in forfeiture of your two-week deposit.

Transfer of Records

Whether transitioning to the next program setting or to a new classroom, your child's records will be transferred internally.

If your child is transitioning to a new school, a written request from you with instructions to where the records should be sent is required.

Closing Due to Extreme Weather

Should severe weather or other conditions (i.e., snow, storms, floods, tornadoes, hurricanes, earthquakes, blizzards, loss of power, loss of water) prevent us from opening on time or at all, notification to the families will be announced on our communication app. Please note that we follow the CMS closing schedule on the first day.

If it becomes necessary to close early, we will contact you or your emergency contacts as soon as possible. Your child's early pick-up is your responsibility to arrange.

DROP-OFF AND PICK-UP

General Procedure

We open at 7:30 AM. Please do not drop-off your child prior to the opening. Parents are expected to accompany their children and sign them in. Children must arrive no later than 9:30 AM unless your child has an appointment. We do not offer drop in care at this time. We close at 5:30 PM. Please allow enough time to arrive, sign your child out, and leave by closing time.

Cell Phone Usage

The times you spend in the center dropping off and picking up your child are the primary windows of time we have to communicate with you about your child. In order to make the best use of these opportunities, as well as to be attentive to your child and other children, we ask that you NOT use your cell phone at any time while visiting the center.

Authorized & Unauthorized Pick-up

Your child will only be released to you or those persons you have listed as Emergency and Release Contacts. If you want a person who is not identified as an Emergency and Release

Contact to pick-up your child, you must notify us in advance, in writing. Your child will not be released without prior written authorization. The person picking up your child will be required to show a picture ID as verification. Please notify your pick-up person of our policy.

In order to safeguard your child we will need copies of any court ordered custody agreements. Without a custody agreement, we are not able to prevent the release of your child to a parent.

If a child has not been picked up after closing and we have not heard from you, attempts will be made to contact you, and the contacts listed as Emergency and Release Contacts. Provisions will be made for someone to stay with your child as long as possible, but if after 1.5 hour within closing, we have not been able to reach you or a person listed as an Emergency and Release Contact, we will call the local child protective services agency.

Right to Refuse Child Release

We may refuse to release children if we have reasonable cause to suspect that any person picking up a child is under the influence of drugs or alcohol, or is physically or emotionally impaired in any way that may endanger the child. To protect your child, we may request that another adult listed as an Emergency and Release Contact pick-up the child or we may call the police to prevent potential harm to your child. Reoccurring situations may result in the release of your child from the program.

PERSONAL BELONGINGS

What to Bring

Please label all items brought from home with your child's name (i.e., clothes, bottles, diapers, pacifiers, crib sheet, blanket, etc.) to prevent items from becoming misplaced or lost. We are not responsible for lost or damaged items. Sheets and soiled clothing will be sent home on an as-needed basis for laundering and return to the center.

Cubbies

Upon enrollment each child will be assigned a "cubby." Cubbies are labeled with your child's name and photo. Please check your child's cubby on a daily basis for items that need to be taken home.

Lost & Found

You can look for lost items and bring found items to the Lost-and-found Box located at the the front office. Please note that we are not responsible for lost personal property.

Toys from Home

We request that you do not allow your child to bring toys from home into the center unless they are part of a show-and-tell activity. We also prohibit children from attending the program who where expensive clothing or jewelry—we will not be responsible for items lost or broken.

NUTRITION

Foods Brought from Home

Food brought from home is permitted under the following conditions:

- Perishable food to be shared with other children must be store-bought and in its original package.
- Foods should be labeled with the child's name, date, and type of food.
- Leftover food will be discarded except for foods that do not require refrigeration and/or come in a commercially-wrapped package that was never opened.

Food Prepared for or at the Center

Food prepared for or at the center will be properly planned, prepared and portioned according to the Child and Adult Care Food Program (<http://www.fns.usda.gov/cnd/care/>) and the state requirements for food service.

Food Allergies

If your child has a food allergy, you must notify us in writing so that we can make appropriate substitutions. The written notification should list appropriate food substitutions and must be updated at least annually.

Food allergies can be life threatening and each child with a food allergy should have an action plan for emergency care completed by the family physician.

Meal Time

Good table manners are modeled and encouraged. Weekly menus are posted for viewing by parents/caregivers. A caregiver who is trained in first-aid and CPR for choking is present at all meals.

Infant Feedings

Infant feedings follow these procedures:

- Infants will be held for bottle-feeding until able to hold his or her own bottle. Bottles will never be propped.
- Infants are fed "on cue" to the extent possible (at least every 4 hours and usually not more than hourly) and by a consistent caregiver/teacher.
- Breastfeeding is supported by providing a place for nursing mothers to feed their babies. Expressed breast milk may be brought from home if frozen or kept cold during transit. All breast milk and formula shall be returned to the child's home or discarded at the end of each day. Previously frozen, thawed breast milk must be used within 24 hours. Bottles must be clearly labeled with the child's name and the date the milk was expressed. Breast milk and formula brought from home must be dated and labeled with the child's name.
- Labels on all milk/formula containers should be resistant to loss of the name and date/time when washing and handling.
- Solid foods will only be introduced after a consultation with the child's family, however, we recommend at least by nine months.

Children 24 Months and Older

- No child shall go more than 4 hours without a meal or snack being provided.
- Children are encouraged to self-feed to the extent that they have the skills. Children are encouraged, but not forced to eat a variety of foods.

-
- Round, firm foods that pose a choking hazard for children less than 4 years of age are not permitted. These foods include: hot dogs, whole grapes, peanuts, popcorn, thickly spread peanut butter and hard candy.

HEALTH

Immunizations

Immunizations are required according to the current schedule recommended by the U.S. Public Health Services and the American Academy of Pediatrics, www.aap.org. Every year, we check with the public health department or the American Academy of Pediatrics for updates of the recommended immunization schedule. Our state regulations regarding attendance of children who are not immunized due to religious or medical reasons are followed. Unimmunized children are excluded during outbreaks of vaccine preventable illness as directed by the state health department.

All caregivers, teachers, and staff are required to be current with all immunizations routinely recommended for adults by the Advisory Committee on Immunization Practices (ACIP) of the Centers for Disease Control and Prevention (CDC).

Physicals

Routine physicals are required according to the current recommendations of the American Academy of Pediatrics, www.aap.org. A copy of your child's physical should be received before but must be received no later than days after your child begins the program. Families are responsible for assuring that their child's physicals are kept up-to-date and that a copy of the results of the child's health assessment is given to the program.

Illness

We understand that it is difficult for a family member to leave or miss work, but to protect other children; you may not bring a sick child to the center. The center has the right to refuse a child who appears ill. You will be called and asked to retrieve your child if your child exhibits any of the following symptoms. This is not an all-inclusive list. We will try to keep your child comfortable but he/she will be excluded from all activities until you arrive.

- Illness that prevents your child from participating in activities.
- Illness that results in greater need for care than we can provide.
- Illness that poses a risk of spread of harmful diseases to others.
- Fever (100°F or higher under the arm, 101°F or higher in the mouth, 102°F or higher in the ear) accompanied by other symptoms.
- Diarrhea – stools with blood or mucus, and/or uncontrolled, unformed stools that cannot be contained in a diaper/underwear or toilet.
- Vomiting – green or bloody, and/or more than 2 times during the previous 24 hours.
- Mouth sores caused by drooling.
- Rash with fever, unless a physician has determined it is not a communicable disease.
- Pink or red conjunctiva with white or yellow eye discharge, until on antibiotics for 24 hours.
- Impetigo, until 24 hours after treatment.
- Strep throat, until 24 hours after treatment.
- Head lice, until treatment and all nits are removed.
- Scabies, until 24 hours after treatment.

- Chickenpox, until all lesions have dried and crusted.
- Pertussis (Whooping Cough), until 5 days of antibiotics.
- Hepatitis A virus, until one week after immune globulin has been administered.
- Tuberculosis, until a health professional indicates the child is not infectious.
- Rubella, until 6 days after the rash appears.
- Mumps, until 5 days after onset of parotid gland swelling.
- Measles, until 4 days after onset of rash.
- Has a physician or other health professionals written order that child be separated from other children.

Children who have been ill may return when:

- They are free of fever, vomiting and diarrhea for 24 hours.
- They have been treated with an antibiotic for 24 hours.
- They are able to participate comfortably in all usual activities.
- They are free of open, oozing skin conditions and drooling (not related to teething) unless:
 - The involved areas can be covered by a bandage without seepage or drainage through the bandage.
- If a child has a reportable communicable disease, we MUST be notified. A physician's note may not be accepted if the continues to exhibit symptoms.

Allergy Prevention

Families are expected to notify us regarding children's food and environmental allergies. Families of children with diagnosed allergies are required to provide us a letter detailing the child's symptoms, reactions, treatments and care. A list of the children's allergies will be posted in the main area and kitchen. We are trained to familiarize ourselves and consult the list to avoid the potential of exposing children to substances to which they have known allergies.

Medications

- (A) Our center does not administer prescription or over the counter medication to children.
- (B) All medications should be handed to a staff member with specific written instructions for administration. Medications should never be left in the child's cubby or with the child to administer on their own. Our staff will ensure that the medication is recorded along with the directions and proceed to dispense the medication as directed.
 - **Prescription medications** require a note signed by the family and a written order from the child's physician. The label on the medication meets this requirement. The medication must include your child's name, dosage, current date, frequency, and the name and phone number of the physician. All medications must be in the original container (you may request pharmacies to fill your prescription in two labeled bottles). Please specify the dosage and time(s) to be administered for each medication. We reserve the right to
 - **Non-prescription medications** require written permission and instructions signed by the child's primary care physician. The written permission must include your child's name, dosage, current date, frequency, and all medications must be in the original container. Non-prescription medication should not be administered for more than a 3-day period unless a written order by the physician is received.
- (C) **Non-prescription topical ointments** (e.g., diaper cream or teething gel), sunscreen and insect repellent require a note signed by the parents, specifying frequency and

dosage to be administered as well as the length of time the authorization is valid which cannot exceed 12 months.

Communicable Diseases

When an enrolled child or an employee of the center has a (suspected) reportable disease, it is our legal responsibility to notify the local Board of Health or Department of Public Health. We will take care to notify families about exposure so children can receive preventive treatments. Included among the reportable illnesses are the following:

- Bacterial Meningitis
- Botulism
- Chicken Pox
- COVID-19
- Diphtheria
- Hemophilus Influenza (invasive)
- Measles (including suspect)
- Meningococcal Infection (invasive)
- Poliomyelitis (including suspect)
- Rabies (human only)
- Rubella Congenital and Non-congenital (including suspect)
- Tetanus (including suspect)
- H1N1 Virus
- Any cluster/outbreak of illness
- Tuberculosis

Children who exhibit symptoms of 2 or more episodes vomiting and/or diarrhea, fever above 100°F or children who cannot participate in daily activities must go home and remain symptom free for 24 hours. Administrative staff reserve the right to address these symptoms and not accept a physician's note or recommendation.

SAFETY

Clothing

Please dress your child in practical clothing that allows for freedom of movement and is appropriate for the weather. Your child will be involved in a variety of activities including: painting, outdoor play, sand, water, and other sensory activities. Our playground is used as an extension of the center, and daily programs are conducted outside whenever weather permits.

One particular aspect of concern is the risk associated with children's clothing that may become entangled with climbing or sliding equipment that could lead to choking or other serious harm. All drawstrings from children's clothes should be removed as a precaution.

Sandals and flip-flops are not appropriate for center play and make it difficult for your child to participate in some activities.

Injuries

Safety is a major concern in child care and so daily safety inspections are completed inside and outside the center area in order to prevent injuries. First aid will be administered by a trained

caregiver in the event that your child sustains a minor injury (e.g., scraped knee). You will receive an incident report outlining the incident and course of action taken. If the injury produces any type of swelling or needs medical attention, you will be contacted immediately. Each classroom is equipped with a first aid kit meeting the state regulations.

In the event of a serious medical emergency, the child will be taken to the hospital immediately by ambulance, while we will try to contact you or an emergency contact.

Biting

Biting is a normal stage of development that is common among infants and toddlers – and sometimes even among preschoolers. It is something that most young children will try at least once.

When biting happens, our response will be to care for and help the child who was bitten and to help the biter learn a more appropriate behavior. Our focus will not be on punishment for biting, but on effective behaviors that address the specific reason for biting.

Notes will be written to the family of the child who was bitten and the biter's family. We will work together with the families of each to keep them informed and to develop strategies for change.

Respectful Behavior

All children and families will be treated with respect and dignity. In return, we expect the same from all of our families. We will not tolerate hostile or aggressive behavior. If this occurs, we reserve the right to ask you to control your behavior or to remove your children from our care.

Smoking

The poisons in secondhand smoke are especially harmful to infants and young children's developing bodies, therefore the indoor and outdoor center environment and vehicles used by the center are non-smoking areas at all times. The use of tobacco in any form is prohibited on the center's premises.

Prohibited Substances

The use of alcohol or illegal drugs is prohibited on the center's premises. Possession of illegal substances or unauthorized potentially toxic substances is prohibited.

Any adult who appears to be inebriated, intoxicated, or otherwise under the influence of mind-altering or polluting substances is required to leave the premises immediately.

Dangerous Weapons

A dangerous weapon is a gun, knife, razor, or any other object, which by the manner it is used or intended to be used, is capable of inflicting bodily harm. Families, children, staff or guests (other than law enforcement officers) possessing a dangerous weapon will not be permitted onto the premises.

In cases that clearly involve a gun, or any other weapon on our premises, the police will be called and the individual(s) involved will be immediately removed from the premises. This policy applies to visible or concealed weapons.

Child Custody

Without a court document, both parents/guardians have equal rights to custody. We are legally bound to respect the wishes of the parent/guardian with legal custody based on a certified copy of the most recent court order, active restraining order, or court-ordered visitation schedule. We will not accept the responsibility of deciding which parent/guardian has legal custody where there is no court documentation.

Suspected Child Abuse

We are required by law to report all observations of child abuse or neglect cases to the appropriate state authorities if we have reasonable cause to believe or suspect a child is suffering from abuse or neglect or is in danger of abuse or neglect, no matter where the abuse might have occurred. The child protective service agency will determine appropriate action and may conduct an investigation. It then becomes the role of the agency to determine if the report is substantiated and to work with the family to ensure the child's needs are met. Our center will cooperate fully with any investigation and will maintain confidentiality concerning any report of child abuse or neglect.

EMERGENCIES

Fire Safety

Our center is fully equipped with fire safety features including alarms, lights and rolling cribs. Our fire evacuation plan is reviewed with the children and staff on a monthly basis.

Emergency Transportation

In the event your child needs to be transported due to a medical emergency, if no other authorized person can be contacted and the need for transportation is essential, an ambulance will be called for transportation. A proper escort will accompany and remain with the child until a family member or emergency contact arrives.

CENTER POLICIES

Our center policies not included in this handbook are reviewed and updated as needed. They are available for review upon request to the center director.

FAMILY ACTIVITIES

We offer a variety of ways for families to participate in the growth and improvement of our program. We encourage families to take an active role.

Parent Association:

- Parent Advisory Committee – meets monthly review progress toward annual goals.
- Classroom Representative – serves as a liaison between classroom parents and teachers

Family Events: We have several events throughout the year that bring our entire community together. Watch for the announcements!

- Open House
- Holiday Gathering
- Book Fair
- Fall Festival
- Annual Family Picnic

Classroom Activities: Enjoy and help your child's class with these special activities.

- Share a meal with your child
- Chaperone field trips
- Read to children at arrival or pickup
- Volunteer in the classroom
- Donate requested items
- Serve as a parent representative
- Family Teacher conferences

Family Handbook Acknowledgement

Please sign this acknowledgement, detach it from the handbook, and return it to the center prior to enrollment.

This handbook may be updated from time-to-time, and notice will be provided as updates are implemented.

Thank you for your acknowledging the policies and procedures we have established for the safety and welfare of all children in our care. We look forward to getting to know you and your family.

I have received the **First United Methodist CDC Family Handbook**, and I have reviewed the family handbook with a member of the **First United Methodist CDC** staff. It is my responsibility to understand and familiarize myself the Family Handbook and to ask center management for clarification of any policy, procedure or information contained in the **First United Methodist CDC Family Handbook** that I do not understand.
